Thanks for Another Great WRRC Conference

It's a wrap on another great WRRC conference! This week, on May 20 and 21, hundreds of people joined us both in person and on Zoom for two days of engaging programming. The WRRC would like to thank everyone who made

this event possible, including our generous sponsors, distinguished speakers and moderators, hardworking students, volunteers, and WRRRC staff, knowledgeable Conference Advisory Committee members, accommodating U of A support staff, and inquisitive attendees. We couldn't have done it without you!

With speaker permission, all presentation recordings and slides will be posted on our website sometime next week. Everyone registered for the conference will be notified by email when the recordings are available. In the meantime, we invite you to fill out the [online evaluation form](#) to let us know what went well, what didn't, and what you would like to see at our next conference.

Also, please note that we are transitioning to our biweekly summer newsletter schedule. The *Summer Wave* will arrive in inboxes on June 6.

[Land Acknowledgment](#)

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O'odham and the Yaqui. The university strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
